Train Away Pain Financial Policy

The well-being of our patients is our primary concern and our goal is to provide excellent care to everyone who seeks our services. Part of maintaining a good physician-patient relationship is advising you in advance of office policies related to our practice. Please read this page carefully and indicate your agreement by signing below. If you have any questions, please do not hesitate to ask a member of our staff.

1. It is your responsibility to notify the office of any changes to your address and/or new insurance coverage.
2. Payment for services is due upon completion of the visit. We require that all patients maintain a VALID credit card. If we are unable to bill you at the time of service, the cost of your visit will be automatically billed on your credit card.
4. While we may verify your insurance coverage as a courtesy, it is your responsibility to understand your benefit plan. It is your responsibility to know if a written referral or authorization is required to see specialists, if preauthorization is required prior to a procedure, and what services are covered.
5. Payment for all TAP services is the responsibility of the patient and is due at the time of your visit. As out-of-network medical providers, TAP does not participate in any private or government sponsored insurance plans.
6. If you have no insurance, payment for an office visit is to be paid at the time of the visit.
7. If for any reason there are unpaid account balances that are more than thirty (30) days past due, such balances shall accrue interest at the rate of eighteen (18%) percent per year on any and all past due amount. In the event that your account is sent out for collection, you will be liable for all reasonable attorney fees and expenses.
8. Not all services provided by our office are covered by every plan. Any service determined to not be covered by your plan will be your responsibility.
9. All packages purchased are non-refundable and must be used within one year of the purchase date.
10. We require a 24-hour notice for cancelling any appointments. We reserve the right to assess a $100 charge for appointments cancelled after the 24-notice period or missed appointments.
11. A $35 fee will be charged for any checks returned for insufficient funds, plus any bank fees incurred.

I have read and understand this office financial policy and agree to comply and accept the responsibility for any payment that becomes due as outlined above.
